How to get to the Venue

M Shed is located on the historic Bristol waterfront, a 5-10 minute walk from Bristol city centre and a 20 minute walk from Bristol Temple Meads train station. There are public car parks nearby at Wapping Wharf (limited spaces), The Grove, Millennium Square and Redcliffe Parade. There is no parking at M Shed. Delegates with reduced mobility can be dropped off at the door and there is a dedicated lift to the conference venue, with assistance available.

Accommodation

The conference hotel is [The Bristol Hotel](#) just a 3-minute walk from the venue, where delegates can obtain a discounted room rate and parking fees, by quoting the code **ADADUK21**. Book online or call the hotel on 0117 923 0333.

We recommend that delegates stay in one of the many excellent hotels and guesthouses in Bristol City Centre the night before the event, which will make it easier to arrive at M Shed for the 9am start. If the conference hotel is not to your taste or budget, a good alternative is the nearby Brooks Guesthouse - www.brooksguesthousebristol.com.
